A multi-tiered wooden display stand for Beats headphones. The top tier features a clear glass display case containing a pair of Beats headphones. Below the case, the stand is filled with numerous boxes of Beats headphones, arranged in neat rows on each of the four lower tiers.

A wooden counter area on the left side of the store. The counter is equipped with a laptop, a tablet, and several pairs of headphones. Below the counter, there are shelves displaying boxes of Beats headphones. The 'gritty' logo is visible on the side of the counter.

A wooden counter area on the right side of the store. The counter is equipped with a laptop, a tablet, and several pairs of headphones. Below the counter, there are shelves displaying boxes of Beats headphones. The 'gritty' logo is visible on the side of the counter.

A central wooden counter area with a man standing behind it. The counter is equipped with several trays of products. Behind the counter, there are shelves displaying various products, including smartphones and headphones. The 'gritty' logo is visible on the counter.

A wall display of various smartphones and headphones. The wall is covered with a grid of small shelves, each holding a different model of smartphone or a pair of headphones. The display is organized and visually appealing.

A tall wooden shelving unit on the right side of the store. The shelves are filled with various products, including smartphones and headphones. The unit is organized and visually appealing.
